To parents/carers of children who attend football club,

The last football club of this half term will take place on Thursday 23rd October 2014 and we have decided to run a **mini-tournament for football club children only**. We are inviting all parents/carers to come and support all the children taking part.

Although the session will start straight after school as normal, we do anticipate that the tournament may run over the usual 4.30pm finish time, so we are asking parents to be prepared for a **5pm finish**.

We will only cancel if there are extreme weather conditions, so we ask parents coming to watch to be prepared for wet and cold conditions.

The members of staff who coach the children are very pleased with how they have all progressed so far and all the children are looking forward to showcasing their talents at the tournament. This will be the last football club for a while but we hope to start up again in February/March time.

Yours sincerely

D. Abbiss.
