WORLD BOOK DAY

World Book Day at Brandhall was a huge success! Thank you to those of you who dressed up as your favourite character and shared your stories with us for World Book Day. We loved seeing your enthusiasm for books and reading throughout the day and the wide variety of activities that were held in classes.

In year 6 we speed dated with books before deciding our next reading for pleasure book and spent our time reading to the children in EYFS. Year 5 spent their day recommending books for their friends and writing reviews of their stories (in class text). Year 1 and 2 became reading detectives for the day and thoroughly enjoyed their character fashion show in the hall. These are only small examples of the wonderful activities that were held on Thursday and we hope the children all thoroughly enjoyed their day. Competition winners will be announced on Friday for our writing competition.

Severn Trent Assembly 15th February

Severn Trent came to Brandhall to teach us all about how to prevent wasting our water. He had volunteers to help him put forward his presentation (children from Year 5). The volunteers had different water based examples/sources (such as a rubber duck, garden hose, watering can and more). They also held posters, which explained how the water travels through the pipes and where it ends up. The Severn Trent man, who told us not to waste water, also gave us cards persuading us to order the free four minute shower timer. He also expressed to us the importance of turning off the tap when we brush our teeth. He also told us what not to flush down the toilet because it will get stuck in the fragile pipes. We really enjoyed the visit from Severn Trent and enjoyed learning all about the water system.
