Welcome Back message from Miss Hart

We hope you had a fantastic summer and are ready to start another great year here at Brandhall. Everyone is looking super smart in their school uniforms I would like to take this opportunity to thank parents for your continued support. I would also like to remind you to ensure that uniformed is named as with over 480 pupils, one burgundy jumper looks like the other 479, we are good at the washing powder recognition test but even this doesn't have a 100% failsafe success rate!!! .

We have a lot to look forward to this year and are excited to start with a class room workshop next Thursday. We hope that many parents will come to experience a morning in the life of your child's classroom. We have had lots of work done on the school over the summer break and hope you agree that school is looking smarter and safer than ever.

If you need to speak with me, for any reason, during the year, I am available at the start and end of school and you can find me in the school play ground or alternatively phone the staff in the office to book a more suitable timed appointment.

This just leaves me to wish everyone an excellent Autumn term.

On **Thursday 13th September** we are hosting our Opening Morning. You are invited to stay with your child during the first part of their school day. You will be welcomed into class by the school teacher and take part in lesson workshops. This will enable you to get to know your child's new teacher and also the general feel of the class. **The workshops will start at the beginning of the school day; 08:50am and end at first break; 10:30am.** Due to space restrictions we are kindly asking that only one adult per child attend the morning. We hope that you will be able to support your child and look forward to meeting you on Thursday morning.
