Hello Brandhall

We wanted to share some of the stories that we would normally celebrate in school so please send us any photos you are happy for us to share on next week's Brandhall Beat or on our facebook page. Parents—if you are smashing the home schooling send us your pics to celebrate! I do want to ask you not to stress about school work; we will get the children back on track, but what we will find more difficult to fix is trauma and anxiety from these strange times.

As someone has said so eloquently,

'share your calm, share your strength and share your laughter with your children. No kids are ahead. No kids are behind. Your children are exactly where they need to be.'

Look after yourselves; hopefully see you all soon,
Lots of love, Miss Hart.

The children wanted to show their appreciation to all the key workers. They created these beautiful displays to say thank you!

How are you keeping fit? Have you done PE with Joe Wicks on YouTube? Do you go for walks or play sports in your garden? We'd love to hear about it.

Have you visited the home learning section of our school website?
