Vol 3

Issue Thirty

19/06/2020

Last week some of our keyworker children explored facts about the solar system and looked at the differences between all the planets. They created all of the planets from paper mache and found out how far away from the sun they all are. They also pretended to be astronauts and wrote a list of all the items they would like to take to Space with them.

We love Sadie's colourful comic strip of sea creatures.

We were very impressed with Sepehr's sock puppet that he made! Well done Sepehr! Your puppet looks great!

Jack (5A) researched planets and then made these amazing planet models.

We think this environment poster by Arina (5A) is spectacular!

Miss Paige would like to say a big well done to Caleb (1B) as you have really embraced learning from home. You have produced several pieces of outstanding work and are smashing Times Table Rockstars! What a little star!

Thank you for your lovely drawings Ripley!

**A Poem about the environment by Lacey (5B)**

Rainforests are some beautiful areas of land  
bigger than the earth's hand  
together let this rainforests be  
let our trees and oxygen in the rainforests free  
stop cutting down all the trees  
we have to everything but the breeze

## The Circle of Life

Some of our keyworker pupils made these magnificent, vibrant pictures for their Lion King project this week.

If you would like to share photos of your child home schooling, baking, crafting, exercising and having fun please send your story and photos to [k.foley@brandhall.sandwell.sch.uk](mailto:k.foley@brandhall.sandwell.sch.uk)
