## Home Learning

All our teachers would like to say a big "Thank You" to all the children who have been logging on to their class Teams meeting and sending in their home learning via email. If you have not done so already please follow the link below to log into you child's email. From here you can access your child's homework, reply to teacher's emails, access class Teams meetings and edit documents.

Mrs. Owens and Miss Randall would like to say well done to all the children in Reception class who are home learning. They have enjoyed hearing all about what you are doing and seeing your wonderful photos.

Flexi Nursery children have been doing lots of wonderful work. All the staff miss you!

James has been a little superstar this week. He has been reading the book for our English topic. He loves it so much he has read it to everyone at home. I am very proud of you James.  
From Miss Edmonds

## Calls From Teachers and Support Teams

The teachers and support teams will be calling at some point every week to check in and see if we can help in any way or answer any questions you may have about the learning sent out. Don't worry if you miss a call, they will call you back—it is likely to be from a withheld number.

Miss Reed would like to say well done and thank you to her writing group and maths group for their hard work at home. She has enjoyed receiving your completed work.

HUGE well done to all the children in Year 2 who are logging on and completing their work. Also, to those in the key worker groups. Everyone is working really hard! From Mr. Roberts.

## A Message From Sandwell Council

Cases are rising rapidly across our area. Around 1 in 3 people with Covid-19 have no symptoms and could unknowingly pass the virus to someone and make them very ill.

You must stay at home. The single most important action we can all take is to stay at home to protect the NHS and save lives. You must not leave, or be outside of your home except where necessary.

We must do this to protect each other and prevent our health service from being overwhelmed.

# BRANDHALL BEAT

Miss Pallett wanted to share this excellent science work from Boe!  
Keep up the good work Boe!

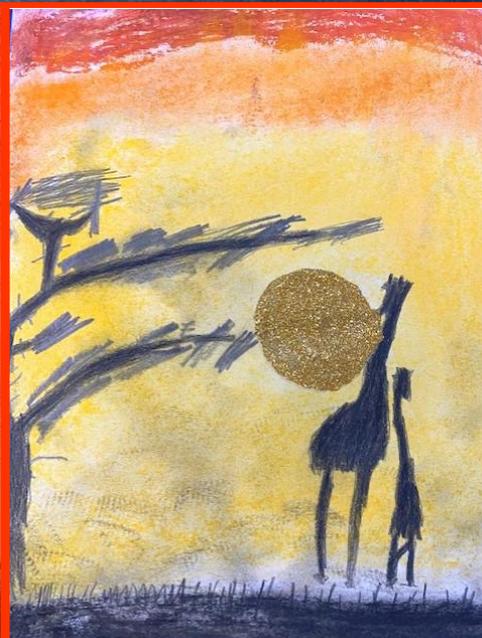

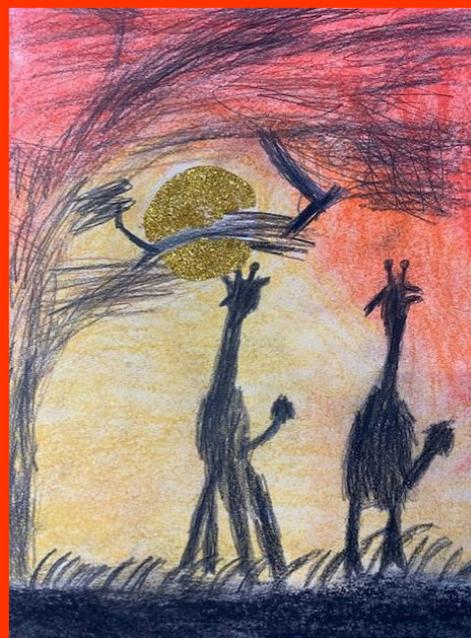

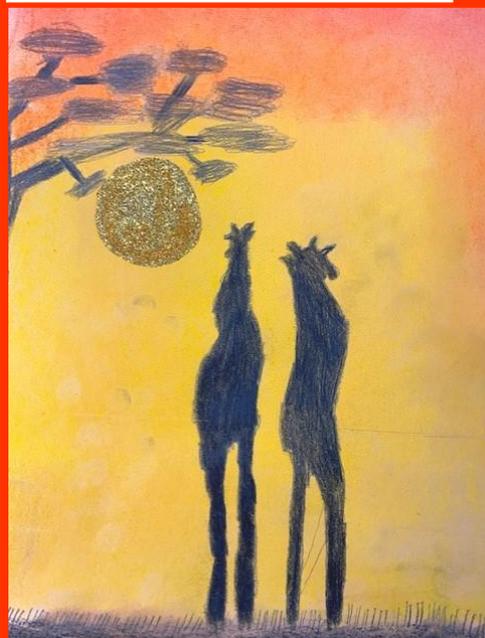

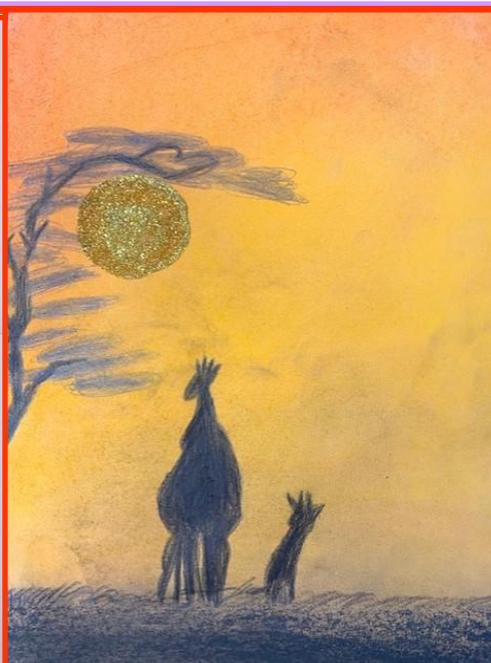

Miss Hussain and Miss Edmonds want to say well done to all the children in 1A and 1B who are emailing them work daily.

Here are pictures of Elliot ordering lengths and Maisy's toy design.

## African Sun Set

We have some very talented artists in Year 4. Here are some beautiful pieces of art from our key worker children and also from Stephanie, who is home learning.

# LOCKDOWN POEM

WRITTEN BY LILY P

Lockdown is a scary time  
So I thought that I could write a rhyme  
To put a smile on lots of faces  
From around the world in lots of places

Lots of time with my family  
Fills me with enormous glee  
Home school teaching from my Mum  
With my brother who's a pain in the bum

Missing my teachers and playing out  
It really makes me want to shout

Nannies and Grandads can't see me  
But safety is the key

Watching movies on Disney Plus  
Stops us making a fuss  
Eating ice cream in the garden  
Makes us want to burp, but we say pardon

Missing our friends and teachers  
Watching YouTube to see who features

One day this will come to the end

Hopefully we haven't driven Mum around the bend

We look back and change the thought of the lessons we learnt and the ones that didn't get taught

Hope you enjoyed

Thanks for reading

Stay safe
