Welcome To The World Henry

We are delighted to share this wonderful news with you. Please join us in congratulating Mrs. Cabezas-Woods and her husband on the safe arrival of their adorable baby boy Henry. We hope this is a wonderful time filled with lots of joy and happiness for your new family.

Year 6's home learning has got off to a flying start, with lots of children emailing their work back the same day and some printing it off and keeping it as a pack for when they return. Mr. O'Connor and Miss Bradley have also been in contact with lots of the year 6 children via email so far!

We've been doing daily Maths and English lessons, similar to what we would have done in school! Also, some Geography about the UK, light in Science and some landscapes in Art.

We can't wait to be back in school to see you all again. Keep up the hard work. See you soon.

Mr. O'Connor & Miss Bradley

Mrs. Bailey and Miss Malek are so impressed and proud of the enthusiastic approach and positive attitude Year 5 are showing towards home learning. We have loved seeing the work that has been emailed back to us and are excited to come back to school next week to see our amazing children and more of their fabulous work.

Mrs. Bailey & Miss Malek

A reminder to any parents who have not returned their children's **data forms**. Please return the forms as soon as possible with your child, who can give them to their teacher.

We love this poem by Grace, reflecting on life during lockdown. You are very talented Grace!

Pizza Party

Thursday 1st October

As a welcome back to Year 5 and 6, all children from Reception right through to Year 6 will have pizza for free this day at lunch time.

It's a one off special for all our children and there is no need to book, even if your child normally has a packed lunch.

We are very excited to share photos of our **Wildlife Quad** with you. We are sure the children will enjoy playing and learning there.

Warley Woods Lockdown Memories

'Lockdown Memories' aims to capture the story of life on lockdown from a community perspective. Warley Woods will add the materials to their archive and plan to create an exhibition in the future. Send your memories in a format that works best for you to memoryvault@warleywoods.org.uk
